5 bedroom villa on one floor. 400m2.

It has a kitchen, swimming pool and covered terrace with barbecue.

Rincon del Mar is a sunny 5 bedroom villa built on a single floor of 400 square metres.

Each of its bedrooms and bathrooms are distributed around a central courtyard flanked by ficus trees and huge pine trees, where guests can enjoy the 20 square metre heated swimming pool and relax on the covered terrace area where the barbecue is located; an ideal spot for long summer evenings. Spacious yet unobtrusive, the villa has a spacious living room, a modern fully equipped kitchen for flexibility and independence.

Nods to typical Andalusian architecture can be seen in the wooden carpentry, the seawater-coloured window mouldings, the hand-painted ceramic pieces or the aromatic plants in the garden, making this villa the perfect place for families.
