Ground Floor

A large marble hall welcomes us in this stately mansion, from which you can access to any floor by stairs or elevator.

Inside **Villa Marbella** there is a zone with a huge spa sauna, indoor heated swimming pool and relax room including a bar.

In the center of the ground floor there is a wonderful indoor pool, a sauna, a Jacuzzi and a spacious lounge with a bar included. This floor also has a living room and a bedroom with en suite bathroom. At the other end of the floor there is a separate apartment with 2 rooms, each with a bathroom.

The living room gives access to the huge garden with two pools, one for children and another one for adults. The garden is planted with soft green grass instead of artificial turf, which gives us the greatest comfort when walking barefoot.

Outside there is also a magnificent bar in the garden, perfectly destined for outdoor gatherings while sipping a drink and listen to the soothing sounds of the waterfall. From any point of the garden you can contemplate the Mediterranean Sea.

The first floor offers a main lounge, a bar, a home cinema room with 9 sofas, a dining room and two double bedrooms, each with a bathroom and a lounge included. The rooms have access to a spectacular terrace overlooking the Mediterranean and the homestead garden. From this terrace you can reach any point of the 1st floor. All the furniture of the house has been carefully selected and constructed with materials of the highest quality.
